

DRILLTEC STP™ **PROTECTORS**

DRILLTEC STP™ protectors are designed to meet customer requirements for both API and Premium connections.

DRILLTEC STP™ PROTECTORS

STP™ FEATURES

- Superior impact resistant high density polyethylene with Procadd gives protection during handling and transportation.
- Full thread engagement prevents the protector from stripping or vibrating off the pipe.
- Positive seal areas in the pin and box prevent moisture intrusion to critical areas.
- Closed end design protects the inside of the pipe.

STP™ Protectors are available in:

- Sizes (2" - 6 5/8")
- (CENL) Closed End Non-Liftable Pin and Box
- (OE) Open End Pin and Box
- (OED) Open End Driftable Pin and Box

Why compromise your tubular investments? Protect your assets with DRILLTEC™ THREAD PROTECTORS.

All applicable DRILLTEC products are manufactured under strict compliance with API 5CT 9th Edition - Annex I.
